## WALL STREET APATHETIC AND BUSINESS NOMINAL.

RALLY IN ATCHISON PRE-VENTS FURTHER DECLINE.

Rock Island's Desire to Issue New Bonds Puzzles Brokers-Light Demand for Money.

New York, July 31.-The trading in stocks became extremely apathetic teday, and at times the dealings on the floor were no more than nominal. The undertone was heavy, but the price movement was very narrow and uncertain. The recent weakness in and uncertain. The recent weakness in Atchison was supposed to be explained by Atchison was supposed to be explained by the statement of June net carmings, showing a decrease, compared with the preceding June, of \$64,356. An official explanation was added that the heavy costs of the floods were accountable for the poor showing. The bears, who have been selling the stock short, ceased to operate on that side Fanklin 8 Vetoria 24 States. of the market and covered. The rally in Mohank 25th Wolverine Cit.

The proposed issue is a puzzie to Waii street in view of the present condition of the securities market. Money conditions retained yesterday's relaxation, and preliminary figures indicate a cash gain by the banks for the week of nearly \$7.00.90. The repayment of the Pennsylvania loans has been expected to show in to-morrow's bank statement, but the purchase of the Evansylle and Terre Haute, and payments of \$5.000,000 on the final installment on the International Mercantile Marine underwriting, and of \$5.000,000 on the Louisville and Nashville bond underwriting may complicate the loan item of the banks.

# SUMMARY OF THE ST. LOUIS MARKETS.

Heavy receipts and lack of outside demand caused a nervous market for wheat yesterday. There were occasional advances, but long statt came out on every upturn and the generally bullish news was not as potential in boosting values as it might have been In a lers nervous market. Foreign markets opened well, but there were signs of indifference to the recent domstic advances and the export inquiry was not above the average.

After early declines wheat advanced a fraction and held well for awaits. Liquidation forced prices downward and the peg memed to be set at 185c for september. News from the Northwest was decidedly bullish. There had been no relief from the weather conditions, which threatened to curtail the crop in that section. General selling by longs and the weakness of corn led to a break near the close. The volume of trading was fairly

large, with professionals and scalpers most active.

There was little encouragement for corn bulls. Wenther news continued bearist. Rains and lower temperatures, coupled with increasing rescipts, broke specificly-values. Local professionals generally were ranged on the rellier side.

Sept. wheat opened unchanged and closed 5c off.

Sept. corn opened the off and closed Se off.

Receipts of produce were fairly large and values of fruits and venetables were gen-Local recurities were dull. Traction issues continued on the upturn.

Yesterday's bank clearings were \$7,12,110, balances \$55,012. Discount rates were steady between 5 and 6 per cent. Spot cotton was unchanged in the local market.
